

Amsalem Enterprises Inc.

Property Management, Security and Maintenance

To whom it may concern:

This letter is to verify that Ari and Associates have worked with Amsalem Enterprises Inc. since the beginning of last year. They have been involved in several of our rebuilding and renovation projects that came out of the hurricane in Sept. 2008; the largest being our commercial renovation project of over 160,000 square feet. We have been very pleased to have had their involvement. If you have any questions please call my office.

Thank you,
